The Shadow of Moon

1

This is I. *For my second work,*
I decided to be bold and create a complex story
that tied the present and past together (a very
reckless move for someone who's still new at this)
Not only is the plot complex, most of it is very
stupid. -_-;
People tell me "This will turn out great if you
do it well."
But the trouble is in "doing it well."
I recently bought a Mac Now I'm on the
internet all the time
Life can be twisted.
This is true
But I think people are the ones who are really
twisted.
*That's the end of I's random gibberish ^^**

She always dies before the age of twelve

Through many incarnations, such has been her fate

I wish to protect her, but our fates never bring us together –

Because when she dies before the age of twelve, I cannot return

Sadaham, the Hwa-Rang* of Silla, was born to Gu Ri Ji and Kum Jin
He was blessed with beauty, courage and intellect

His skin was smooth as silk, and his eyes shone like smiling flowers.
Sadaham was someone who was outwardly kind, and inwardly strong
He was a devoted friend.

In the 11th year under the rule of King Jinheung, Sadaham defeated the Japanese. King Jinheung was pleased and appointed Sadaham the commander of an army
Sadaham was age sixteen.

*literally the "flower of youth"

GENERAL I'M NOT SURE THAT WE ARE DOING WHAT IS RIGHT I'M WORRIED
I AM AWARE OF YOUR CONCERN
MI-WA WAS THE WIFE OF KING DOSEOLJI OF GARA, BUT SHE HAS BEEN EXILED
SHE AND HER DAUGHTER WANT REVENGE THAT'S WHY SHE'S HELPING US

BUT STILL, SHE IS SELLING OUT HER COUNTRY TO AN ENEMY
SHE'S ALREADY BETRAYED HER COUNTRY WILL SHE BETRAY US AS WELL?

SADAHAM WHAT DO YOU THINK MAKES A WARRIOR GREAT?
THAT WARRIOR BRINGS VICTORY
YES VICTORY IS IMPORTANT
BUT IT IS MORE IMPORTANT TO BELIEVE IN YOURSELF AND TO DO YOUR BEST TO KEEP YOUR SOLDIERS SAFE FROM HARM
DON'T FORGET THAT IF YOU CAUSE UNNECESSARY DEATHS AND SINK SO LOW AS TO ASK WOMEN FOR HELP
THEN YOU DO NOT HAVE THE ATTITUDE OF A TRUE WARRIOR

In 561, the 11th year of King Jinheung's reign, General Isesabu and Sadaham marched to Gaya with 5000 soldiers
Gaya finally surrendered.
